Your Duty To Take Reasonable Care not to make a misrepresentation

When you apply for life insurance, the insurer conducts a process called underwriting. It's how the insurer decides whether they can cover you, and if so on what terms and at what cost.

The insurer asks questions they need to know the answers to. These will be about your personal circumstances, such as your health and medical history, occupation, income, lifestyle, pastimes, and current and past insurance. The information you give in response to their questions is vital to their decision.

The duty to take reasonable care

When applying for insurance, there is a legal duty to take reasonable care not to make a misrepresentation to the insurer before the contract of insurance is entered into.

A misrepresentation is a false answer, an answer that is only partially true, or an answer which does not fairly reflect the truth.

This duty also applies when extending or making changes to existing insurance, and reinstating insurance.

If you do not meet your duty

If you do not meet your legal duty, this can have serious impacts on your insurance. Your cover could be avoided (treated as if it never existed), or its terms may be changed. This may also result in a claim being declined or a benefit being reduced.

Please note that there may be circumstances where the insurer later investigates whether the information given was true. For example, the insurer may do this when a claim is made.

Guidance for answering questions

We, as the trustee are the policy owner. You are the life insured. A misrepresentation by you, as the life insured, has the effect as though it is a misrepresentation by us as the policy owner.

As the insurance is inside super, we obtain this insurance from the insurer in relation to you. In this circumstance, the insurer will rely on the representations made by us and you.

Both you and us, as the trustee of the fund, are responsible for the information provided to the insurer. When answering the questions, the insurer requests that you:

- think carefully about each question before you answer. If you are unsure of the meaning of any question, please ask us or the insurer before you respond.
- answer every question.
- answer truthfully, accurately and completely. If you are unsure about whether you should include information, please include it.
- review your application carefully before it is submitted. If someone else helped prepare your application (for example, an adviser), please check every answer (and if necessary, make any corrections) before the application is submitted.
- you must not assume that the insurer will contact your

doctor for any medical information. If you are unsure about whether you should include information or not, please include it.

Changes before your cover starts

Your duty to take reasonable care not to make a misrepresentation continues until the time our insurance cover starts.

Before your cover starts, the insurer may ask about any changes that mean you would now answer the questions differently. As any changes might require further assessment or investigation, it could save time if you let the insurer know about any changes when they happen.

If you need help

It's important that you understand this information and the questions the insurer asks. You can ask us, the insurer or an adviser for help if you have difficulty understanding the process of applying for insurance or answering the questions. If you're having difficulty due to a disability, understanding English or for any other reason, we or the insurer are available to help and provide additional support for anyone who might need it. If you want, you can have a support person you trust with you.

What can the insurer do if the duty is not met?

If the person who answers the questions does not take reasonable care not to make a misrepresentation, there are different remedies that may be available to the insurer. These are set out in the Insurance Contracts Act 1984 (Cth). These are intended to put the insurer in the position they would have been in if the duty had been met.

For example, the insurer may:

- avoid the cover (treat it as if it never existed),
- vary the amount of the cover, or
- vary the terms of the cover.

Whether the insurer can exercise one of these remedies depends on a number of factors, including:

- whether the person who answered the questions took reasonable care not to make a misrepresentation. This depends on all of the relevant circumstances,
- what the insurer would have done if the duty had been met – for example, whether the insurer would have offered cover, and if so, on what terms,
- whether the misrepresentation was fraudulent, and
- in some cases, how long it has been since the cover started.

Before the insurer can exercise any of these remedies, they will explain their reasons, how to respond and provide further information, including what you can do if you disagree. The insurer is required to notify us, as the trustee and policy owner, of these matters.

Note, the Trustee has the same Duty to take Reasonable Care with respect to your application for cover and in respect of any group policies issued to it.

Table 4: Death premium example

	How to calculate	Example
1.	Write down your cover amount and type	\$1m death only
2.	Note your age next birthday at date joined Fund or at annual review date, and gender.	40, male
3.	Use your cover type (1.), your age next birthday and gender (2.) move down the column until you find the annual premium rate per \$1,000 of sum insured in Table 5.	0.70
4.	Multiply the cover amount (1.) by the annual premium rate (3.) and divide by 1,000.	$(\$1m \times 0.62) \div 1,000 = \700
5.	Note your occupational factor	White Collar = 100%
6.	Multiply the premium by your occupational factor (5.). This is your annual premium	$\$700 \times 100\% = \700
7.	To work out your monthly premium divide #6 by 12	$\$700 / 12 = \58.33

Reinstatement of cover ceased due to PMIF

Where an Insured Person's cover under the Plan ceased on 1 April 2020 due to that Insured Member not having an Account balance with the Fund that has reached \$6,000 between 1 November 2019 and 31 March 2020, that Insured Member may request reinstatement of cover in accordance with the following conditions:

Automatic Transfer of Death & TPD Cover on Ceasing Employment

If you are a Member of Smartsave Employer Super and cease employment with your employer, your Membership of the Fund will automatically transfer to Smartsave Personal Choice. The effective date of this transfer will be the date on which we receive notification from your employer that you have ceased employment with them. Your insurance benefits will automatically transfer to Smartsave Personal Choice and you will remain covered for the insured benefits applicable to you in Smartsave Employer Super.

If you are a Smartsave MySuper Member and cease employment with your employer your insurance cover will remain in Smartsave MySuper, i.e. you will not be transferred to Smartsave Personal Choice.

However, you should be aware that if your insurance cover in Smartsave Employer Super is based on a formula (e.g. a multiple of salary) under alternative arrangements negotiated by your employer, the level of your cover in Smartsave Personal Choice will be for a fixed sum insured equal to the amount of cover applicable to you at the date of transfer (i.e. your benefit will no longer be based on a formula).

Premiums will remain the same.

The cessation of employment triggers an opportunity for you to exercise a continuation option as detailed in below section.

Continuation Option

If you are under age 60 and are not entitled to, nor is claiming, a Benefit, either:

- ceases employment with an Employer and applies for a continuation option within sixty (60) days of ceasing employment, or

Transferring an existing Income Protection insurance policy to Smartsave

You may be able to transfer your existing Income Protection insurance cover from your current insurer to Smartsave provided you meet eligibility terms and conditions.

If you are currently insured for Income Protection cover with another superannuation fund, group insurance policy or retail policy, you may be eligible to transfer this cover to Smartsave, without medical underwriting. This additional cover is subject to the following terms:

- the combined total (transferred plus existing cover), of Income Protection insurance cover following the

transfer must not exceed \$15,000 per month, and

- you must satisfactorily complete a Transfer Application Form and provide satisfactory evidence of existing cover, and
- any exclusions, premium loadings applied to the external insurance cover will continue to apply to this cover once transferred, and
- upon acceptance of the transfer application, your total accumulate income protection benefit must not exceed 75% of your salary (excluding superannuation), and
- you confirm that you will cancel your existing transferred insurance within sixty (60) days of Insurer's acceptance.

Where all of the above requirements have been met, cover will commence from the date the Insurer accepts your transfer application as long as your Account balance is sufficient to pay the monthly Premium.

Before deciding to transfer any insurance cover you have, please ensure you have considered any potential loss of existing cover or other benefits you may have with your existing insurer.

Where any of the requirements are not met, no transfer of cover can occur and the cover will then be subject to underwriting and acceptance by the Insurer.

How to apply to transfer cover

1. Obtain and complete the Insurance Transfer form, this form is available in the FAQ/Forms tab of the Secure Online Portal, or by calling us on 1300 654 720,
2. Obtain relevant evidence (refer to above eligibility conditions), and
3. Send your form and evidence to: Smartsave, PO Box 1282, Albury NSW 2640.

The transfer of your existing insurance is subject to review by the Insurer. Smartsave will write to you to confirm whether your application to transfer cover has been accepted by the Insurer.

If your application to transfer cover is accepted by the Insurer

- the same type and level of cover being transferred will be applied,
- premiums for transferred cover will be deducted from your Smartsave Account and based on premium rates detailed in Part 3 Group Life and Part 4 Group Income Protection of this Guide, and
- the same waiting period and benefit period that applied to your transferred cover will apply to your insured cover under this Policy. If the same Waiting Period is not available, then the next longer Waiting Period will apply. If the same Benefit Period is not available, then the next shorter Benefit Period will apply.

Interim Accident Cover

Interim Accident Cover is provided when you apply for voluntary cover and while the Insurer is considering your application.

The Insurer will pay you the Monthly Benefit or \$15,000 per month, whichever is the lesser, if you are applying to increase your cover and suffer a Total Disability as a result of an injury while you are covered by this interim Accident cover.

The amount payable will be subject to:

- the terms and conditions of the Policy,
- the level of your cover, and
- a maximum amount up to \$15,000 per month.

Calculating your Income Protection premiums

Example: 30 year old female with a white collar occupation earning a gross income of \$80,000 per annum.

Table 7: Income Protection premium example

How to calculate		Example
1.	Note your gross salary	\$80,000
2.	Note your age next birthday at date joined Fund, or annual review date and gender	31, female
3.	Note your Benefit Period	2 years
4.	Note your waiting period	30 days
5.	Calculate your cover amount = 75% of salary	\$60,000
6.	Decide the premium table by using the Benefit Period (3.)	Table 8
7.	Use your age next birthday and gender (2.), your waiting period (3.) move down the column until you find the annual premium rate per \$1,000 sum insured in Table 8	\$3.06
8.	Multiple the cover amount (5.) by the annual premium rate (7.), and divide by 1,000.	$(60,000 \times 3.06) \div 1,000 = \183.60
9.	Note your occupation factor	White Collar = 100%
10.	Multiply the premium by your occupational factor (9.). This is your annual premium	$\$183.60 \times 100\% = \183.60
11.	To work out your monthly premium divide #10 by 12	$\$183.60 / 12 = \15.30

Interim Accident cover will expire on the earliest of the following:

- 90 days after the commencement of the interim Accident cover,
- the date on which the Insurer gave notice that the request for insurance is accepted or declined,
- the date you cancel or withdraws the request for insurance, or
- the date you cease to be eligible for cover or no longer satisfies the eligibility criteria (refer to page 17).

No interim Accident Benefit will be payable for if

- an injury occurring prior to the date of you becoming eligible for cover,
- the cover applied for would have been declined under the Insurer's normal assessment guidelines, or
- you lodge a claim for an event or condition that would have been excluded under the Insurer's normal underwriting process.

Only one benefit under interim Accident cover for any one Accident is payable.

Cessation of Income Protection Cover

Income Protection insurance cover will cease on the earliest of the following:

- sixty (60) days after the date your Account balance is insufficient to cover the cost of the insurance premium,
- sixty (60) days after the date you no longer qualify as an insured Member under this Policy,
- the date you effect a continuation option under this Policy,
- the date you reach age 65,
- the day before you commence service in the armed forces of any country (not including service in the Australian Army Reserve),
- the date of your death,
- twenty-four (24) months from the commencement of Employer approved leave of absence, if you have not returned to work or an extension of cover has not been approved by the Insurer in writing at least 60 days prior to the expiry of the twenty-four (24) month period; except where the reason why you have not returned to work is because you have made a claim under this Policy, or is eligible to do so,
- the date the Fund receives a request from you to cancel your cover,
- if you have been an Inactive Member (subject to the reinstatement provision as detailed below), the later of the date that:
 - you became an Inactive Member, and
 - the latest period to which your insurance premiums have been paid

Cover will however not cease if the Fund have received or are taken to have received an election from you to continue your cover prior to your cover ceasing.

- the date this Policy terminates, or is cancelled.

The cessation of your cover shall not prejudice any entitlement to make a claim for an event which happened prior to the cessation of cover.

Where cover has ceased due to you effecting a continuation option, any claims arising under this Policy may only be made pursuant to the Policy effected under the continuation option.

Reinstatement of cover

If your cover ceases due to non-payment of premiums, the Insurer may, at its discretion reinstate it on such terms as the Insurer may determine.

If your cover ceases as a result of being an Inactive Member, you may request reinstatement of cover in accordance with the following conditions:

- a written request to reinstate cover is received by the Fund within 60 days after that your cover ceased,
- satisfactory completion of the Short Form Personal Statement is received by the Fund within 60 days after your cover ceased,
- reinstatement of your cover under this condition will be taken to be a continuation of your cover as if it did not cease, provided outstanding premiums are paid, and

- reinstatement of your cover under this condition will be reinstated to the date the cover ceased and at the same level of cover you previously held immediately prior to their cover being ceased.

Reinstatement of cover ceased due to PMIF

Where an Insured Person's cover under the Plan ceased on 1 April 2020 due to that Insured Member not having an Account balance with the Fund that has reached \$6,000 between 1 November 2019 and 31 March 2020, that Insured Member may request reinstatement of cover in accordance with the following conditions:

Requesting reinstatement within 60 days

If the Insured Member's cover under the Plan ceases on 1 April 2020, the Insurer will reinstate cover in respect of that Insured Member from the date the cover ceased provided:

- a written Election to reinstate cover is received by the Fund within (60) days after that Insured Member's cover ceased; and
- satisfactory completion of the short form personal statement is received by the fund within 60 days after that Insured Member's cover ceased.

Reinstatement of cover under this condition will be taken to be a continuation of the Insured Member's cover as if it did not cease, providing outstanding premiums in respect of that Insured Member are paid. Cover will be reinstated to the date the cover ceased and at the same level of cover the Insured Person previously held immediately prior to their cover ceasing.

If the short form personal statement is unsatisfactory then cover under the Plan will be subject to full underwriting, and acceptance by the Insurer.

Requesting reinstatement after 60 days

If an Insured Member's cover under this Policy ceases on 1 April 2020 and that Insured Member requested to reinstate their cover after sixty (60) days of cover ceasing, cover under this Policy will be subject to Evidence of Insurability and acceptance by us. Cover will be reinstated at the default level and from the date of acceptance of the request.

Did not request reinstatement

If an Insured Member's cover under this Policy ceases on 1 April 2020, and a written Election to reinstate cover is not received by the Fund, but subsequently Member's Account balance reaches \$6,000, default level of cover will be provided to that Insured Member without underwriting from the date the Account balance reaches \$6,000. Under this condition the Insured Member will receive Limited Cover until the Insured Member is in Active Employment for sixty (60) consecutive days

Automatic Transfer of Income Protection Cover on Ceasing Employment

If you are a Member of Smartsave Employer Super and cease employment with your employer, your Membership of the Fund will automatically transfer to Smartsave Personal Choice. The effective date of this transfer will be the date of notification by your employer that you have ceased employment with them. Your insurance benefits will

automatically transfer to Smartsave Personal Choice and you will remain covered for the insured benefits applicable to you in Smartsave Employer Choice.

If you are a Smartsave MySuper Member and cease employment with your employer your insurance cover will remain in Smartsave MySuper, i.e. you will not be transferred to Smartsave Personal Choice.

However, you should be aware that the continuation of Income Protection cover in Smartsave Personal Choice is subject to the following:

- income protection insurance will only be available where you have ceased employment to follow employment in a similar occupation,
- you must have ceased employment with your employer for reasons other than that of ill health,
- you must be commencing full time employment within 90 days of ceasing employment,
- you have not ceased employment because of duty in the armed forces (not including service in the Australian Army Reserve),
- the benefit will be no more than the entitlement under Smartsave Employer Super (with the maximum amount of cover being limited to the fixed sum insured that applied to you at the date of transfer) and the same waiting and benefit periods will apply,
- any special terms and conditions applying to you under Smartsave Employer Super, including loadings or exclusions, will also apply for the cover in Smartsave Personal Choice,
- you must not have received, nor be eligible to receive, any disability benefits (under a group disability policy) or similar payments under any other policy, and
- you must be a permanent resident of Australia.

Premiums will remain the same.

The cessation of employment triggers an opportunity for you to exercise a continuation option as detailed in below section.

Continuation Option for Employer Super Members

If you are under age 60, cease employment with an Employer and are not entitled to, nor is claiming, a Benefit, then, provided an application for a continuation of cover is made within sixty (60) days after the termination of employment, the Insurer may issue an individual policy that is guaranteed to renew annually, subject to the terms described in the 'Income Protection Insurance Terms and Conditions' section;

5. Protecting your superannuation package Act 2019 (PYSP)

The PYSP legislation was passed by the Federal Government in March 2019 and came into effect on 1 July 2019, and has been implemented by the Australian Federal Government to protect Australians' super savings from unnecessary erosion by fees and insurance costs.

What it means for your Insurance

From 1 July 2019, the Trustee must stop providing insurance in your Smartsave Account if you have not received money (any type of contribution) into your Account for the last 16 months.

Unless you have opted in to retain the Insurance cover held within your Account, your insurance cover must be cancelled.

From 1 July 2019, the Fund will communicate with you to inform you if you have not received money into your Account for 9, 12 and 15 months.

To retain insurance cover within your Account, you can:

- make a contribution to your Account, or
- complete and return an opt in to maintain or reinstate your Group Insurance Cover form. The form is located in the Secure Online Portal in the FAQ/Forms tab.

Treasury Laws Amendment (Putting Members' Interests First) Act 2019 ('PMIF')

PMIF reform built on the Treasury Laws Amendment (Protecting Your Superannuation) Act 2019 PYSP, was passed by the Federal Government in November 2019, and commenced on 1 April 2020. The purpose of PMIF is to protect Australians' super savings from unnecessary erosion by fees and insurance costs.

What does PMIF mean for your insurance?

We must stop providing insurance in your Account if on 1 April 2020, you have not had an Account balance with the Fund that was equal to or greater than \$6,000.

For new Members the Trustee can only provide insurance cover if the person was age 25 years or above and has an Account balance that was equal to \$6,000 or greater. These conditions would not apply if the person made an opt in election, either on joining, or as an existing Member.

An opt in election to the Fund is a written election by a person to have default cover taken out even if the person is under age 25 or the person's Account balance in the Fund has not been equal to or greater than \$6,000.

In Smartsave, Members who opt in to have insurance cover after 60 days of receiving the welcome letter will need this insurance cover to be underwritten.

6. Making a Claim

Initial notice of a potential claim must be provided to the Fund as soon as possible after the incident that has caused the claim. This ensures we can efficiently and effectively manage your claim. The Insurer will only consider a claim where the delay in notification does not prejudice their ability to assess the claim.

Assisting the Insurer Prove your Claim

You must notify us in writing as soon as reasonably practicable of any event entitling you to a benefit, including:

- the death (by an authorised representative),
- the diagnosis as having a Terminal Illness or being TPD, and
- the diagnosis as having an injury or illness likely to give rise to your Total Disability.

On receipt of notification of a claim you will be provided with claim forms. The claim forms must be fully completed by you (and your treating and the Employer, if applicable) and returned to us as soon as possible. You may be requested to obtain other such information and documentation that the Insurer require consider and process the claim. A claim will not be processed until all the relevant documentation is received by the Insurer.

If the completed claim forms are provided more than one year after the event giving rise to the claim, and the delay results in the Insurer's interests being prejudiced, the Insurer may not accept liability for the claim or, alternatively, may reduce the liability in respect of the claim to the extent of the prejudice the Insurer has suffered.

For the assessment and payment of the claim, the Insurer:

- are provided with satisfactory proof of death for a death claim,
- are provided with satisfactory proof of age,
- for TPD and Terminal Illness claim, are provided with two (2) treating Doctor reports prepared using the forms prescribed by the Insurer at your own expense,
- if required by the Insurer, are provided with reports from a Doctor on the medical condition at such times as the Insurer may reasonably require, at the Insurer's expense,
- in relation to the payment of a TPD or Terminal Illness Benefit, shall have the right to conduct, at our expense, a medical examination with a Doctor of the Insurer's choice including pathology testing such as blood tests, at such times as the Insurer may reasonably require, and
- are provided with any additional information the Insurer need to assess the claim, at your own expense.

When a claim is ongoing, entitlements will be regularly reviewed and further evidence must be provided on request. We may also ask for further proof that you are entitled to a Benefit payment. Different types of claims may set out special claim requirements.

The Insurer's liability to the Insured is limited to paying the Benefits as set out in the Plan.

7. Death and TPD Insurance Terms and Conditions

The information contained in this section is a summary of the terms and conditions. Full terms and conditions are contained in the Group Life Insurance Policy.

In this section, all references to The Policy are to the Group Life Insurance Policy. Terms not defined within this section are defined in the glossary of the Additional Information Guide.
