*** Denotes mandatory field.** If you do not complete all of the mandatory fields, there may be a delay in processing your request.

Transfers to self-managed super funds (SMSFs)

Super funds (including SMSFs) must use SuperStream to roll over your super benefits. This means your SMSF will need:

- an electronic service address
- an Australian business number (ABN)
- to ensure the SMSF details are up to date, including bank account details.

SMSF trustees may wish to consider appointing a professional to assist them in meeting these requirements.

The trustee of your **FROM** fund may request further information from you to help confirm your identity. You may also be asked to provide information about the SMSF bank account (to confirm the destination of the payment). This information assists to manage security and fraud risk in the rollover transaction.

If this information is requested, the **FROM** fund may not be able to process your request until the information is provided.

Where do I send the form?

Send your completed and signed form, together with any documents required by your fund, to your transferring **FROM** fund.
